Cherry Hill/Mays Landing/Delanco Road Test *Plus Contract*

Dear Mr. Rue and Mr. Tyrell:

I would like to enlist the services of Harper Driving School to take my son/daughter for the road test, which will be at _____ (DMV Site) on _____ (day & date) at _____ (time). It is my understanding that my child will be picked up one hour and fifteen minutes prior to the test. It is also my understanding that my child will be given practice and preparation for the test. Further, I understand that my child will be taken after the test to the nearest Motor Vehicle Agency to procure a Provisional License. After that license is procured, I also understand that my child will be dropped off at their school or at home, depending upon my request.

I am enclosing a check for \$250.00, which is the cost of this service.
